

**Message to Fulton County Defined Benefit Plan Retirees:**

An administrative error occurred with the bank that handles the payroll for Fulton County Defined Benefit Plan retirees. They sent the December payroll early, and they sent it from an incorrect payroll list which resulted in some incorrect amounts. Due to this error, payroll was forwarded to retirees' bank accounts and the County has now recalled that payroll. Your December payroll will be issued on December 1st, which is the correct date.

If you had any problems occur with your bank account due to this administrative error, please email Ryan Avery at **[pensionunit@fultoncountyga.gov](mailto:pensionunit@fultoncountyga.gov)**. to assist you in resolving the problem.
