

Hello. My name is Elaine Greer and I am running for the Pension Board Trustee position.

I joined Fulton County in July, 1977 beginning in the Zoning Department, then to Adult Probation, Public Works, Finance, The County Manager's Office and finally with Commissioner Tom Lowe in the Board of Commissioners Office. I retired in December, 2009. During my employment, I enjoyed working along side other employees helping the citizens of FC. Upon my retirement, I joined the FCREA. I enjoyed serving as 1st Vice President and President for over ten years. It was a joy to continue friendships and help with issues when retirees needed assistance. As I considered running for this trustee position, it became clear there would be additional opportunities to help retirees and for this reason I would appreciate your vote. Thank you.
