

Don't lose out on your easy-to-earn/keep wellness credit!

Welcome to your wellness program! To earn/keep your \$240 annual wellness credit for plan year beginning 1/1/2023, eligible employees enrolled in medical coverage with Kaiser Permanente must complete the healthy activities* outlined below.

Here's how:

1. Visit kp.org/engage and sign on with your <http://kp.org> user ID and password
2. Accept the Wellness Program Agreement or you won't be eligible to earn rewards
3. Ensure you have received the COVID vaccination

accepting the wellness program agreement also grants access to your COVID vaccine status

3. Be up to date with your biometric screening:
 - Your non-fasting biometric screening includes: blood pressure, hemoglobin A1C, cholesterol and body mass index.
 - If you are already scheduled for a physical, a biometric screening will be included.
 - Or you can schedule a nurse visit appointment for biometric screening only by calling 404-365-0966.
 - If you have a routine appointment already scheduled, please ask your doctor to include your biometric labs.

***Eligible employees include current employees and new permanent employees hired by 9/14/2022. Return to the site as often as you would like to track your progress. You must complete ALL activities by 12/31/2022.**
