

Pension Office – Retiree Benefits

IMPORTANT NOTICE

Aetna-to-Humana Switch Effective January 1, 2026

Please disregard the recent automatic letter you may have received from Aetna regarding Fulton County's Medicare group coverage.

The letter may have caused confusion, but it does **not accurately reflect the County's plans.**

For accurate information, please refer to the official statement from the Pension Office below.

📌 Important Update for Retirees: Humana to replace Aetna Coverage

Fulton County's retiree health coverage with **Aetna Basic and Aetna Enhanced Medicare Advantage** plans will end on **December 31, 2025.**

Starting **January 1, 2026**, all retirees currently enrolled in **Aetna Basic** or **Aetna Medicare** will be **automatically transitioned** to **Humana's Basic or Enhanced Medicare Advantage Plan**. Your **pharmacy coverage** will also move to **Humana** on this date.

Welcome packets from Humana will go out mid-November, and ID cards will be received before the first of the year.

- ✅ **No action is required** unless you made changes during open enrollment.
- ✅ **Plan designs under Humana are the same** as your current Aetna coverage, so the transition should be smooth.

📄 Please review your **Fulton County Retiree Benefit Guide** for full details on the Humana plans.

If you missed the 2026 Retiree Open Enrollment Meeting, click the link below to learn about changes and benefits for the 2026 plan year.
